# LOST BOATS

Parties in Yachts Have Thrilling Experience... Blown on the Opposite Side of River.

Motor Boat Edna Earl in Tow of the Ga-oline Launen Augusta Caught in Yesterday's Heavy Blow,

The learts of hundreds of Alexanduians were greatly relieved at noon "Mary," caprained by Al Hudie s. reached the dik at Prince street have ing on toard a large party of Alexanspent a terro le night on the flats no th of Rive Vi w.

A large pary of Washingtonias among whom were seven hades and two children went to the bungal w telonging to Harry Fiersel mann and I ving Schwa izman, which is situated of the old Colling woo ! B ach just south of the Collingwood Club early yesterday morni g in Mr. Forschmann's power sloop the "E na E rl." They had an oyster roast and er joyed the day's outing very greatly. As some troubl was experienced with the engines on the down top if ey to be phoned to Alexardea and Aomiral Augus Calmes, owner of the last yacht "Augu ta," left here to tow th m back to Al-xardna. With him were Thema Travers, George W. Borrz, Lereitz Wolfo d Claude Fletcher and James

At five o'clock as the wind was started tailing, the party deded to return hone. t that the e there w re some heavy gusts of wind but as b the the crew and the captain's wif were cra t- were very Seaworthy the wind was not regarded as serious enough ashere on I g and picked up by soto prevent the boats reaching Ab xandrin safely.

Toe boats lef Flei et mann's what! wto the "Auzusta" to ing the Edna Earl." Aumusl Calmes was a the whe l of the "Augusta" at o G.o. W. Bontz was in charge of the engir en

Thomas Travers was at the believe the "E ma Earl." Toure was a Sigwind bi Wing, and the river was cover ed with white caps. The tide was his usually high.

Hardly had the boats I ft the whart west struck the river. The wind wa terrific, heavy trees were bent like reid- and the crashing of the falling lunb, sound dike a ca norade.

Members of the Collin voor Chawho had just reached the club house on the top of the hill after seeing th party leave reshed down the life in the face of the sovere gale but on their arrival at the river front they could see no trace of enter boat and imperied that they had gotten into some hart or or else were proceeding safely up the m ral ( aimes a d asso lated with himin business was i't the Collinword Ciuland when the squall came was very auxi us as to the sa ery of the party He reuned to Alexanoria on the train wrich left Spowden sta i m at 7:15 p. m. and when he reached home found that the Adoural had not arrived uncompromising type. He became alarmed and immediately organized a searching purty which lest Abx andria at one o'clock this moreing on the gasoline vessel "Frank M. under Capt. Douglass

Ramay. At 5 . 'clock they were unable to find any trace of the mis-ing party, although they covered both sides of the river for a distance of ten miles.

Pholos"

At day break they returned to secure further help and at an learly bour to early traiting and it is a har pythou hi morning the "Mars" captained 'y Al Hullings and one of the Emerson bods wath Victor Emerson and a party

aboard joined in the search. A- hour after hour went by and no a word was rare vid from the missing

boats the entire city became alarmoand the areatest anxiety was felt. for ads of he mi song pople and the
